Commissioner for Patents

Sir:

This is in response to the Official Action dated August 6, 2004, in connection with the above-identified application.

The Official Action has been accorded an application number and filing date. However, the application is informal since it does not comply with the regulations in that a substitute specification, in compliance with 37 CFR 1.52, 1.121(b)(3), and 1.125 is required. A substitute specification is required because papers must be legibly written and permit the direct reproduction of readily legible copies. Applicant submits herewith the substitute specification legibly written and reproducible as required.

It is believed that the application is now in condition for examination. Accordingly, Applicants most respectfully request that an Official Filing Receipt be issued and that the application be forwarded to the appropriate examining group for its examination in due course.

Respectfully submitted,  
BACON & THOMAS, PLLC
